

VA Greater Los Angeles Healthcare System

VETERANS' STAND OUT

November 10th, 2020
7 a.m. to 12 p.m.

Due to the restrictions presented by the COVID-19 pandemic, VAGLAHS will host a Stand Out in lieu of its annual Stand Down. On November 10, VAGLAHS will be sending teams throughout the city to work directly with Veterans. VAGLAHS remains committed to protecting the health & safety of those we serve and we will continue to adhere to the CDC's recommendations for slowing the spread of COVID-19. Veterans are encouraged to pre-register in order to better understand services needed. The Stand Out will provide food, clothing & health screenings to homeless & at-risk Veterans. Although the Stand Out is a one day event, help is always available. **If you are a Veteran who is currently experiencing homelessness or at risk of becoming homeless, please call our Welcome Center at 310-268-3269.**
